One25 Limited: helps and supports women and young girls in Bristol who are street-based sex workers, those in the process of disentangling themselves from this work and those who have managed to leave it. Many of them long for a normal life, but they are frequently abused and provided with drugs on which they become dependent by men who are more concerned with how much money they can make out of the women than about their safety. One25 offers practical help, health and legal advice and a safe haven in which they can begin to sort out their lives.
